

Chile

The background of the slide is a solid orange color. On the right side, there is a faint, light-colored outline map of Chile. Above the word 'Chile', there is a cluster of white stars of varying sizes, some of which are slightly blurred to create a sense of motion or a starry sky effect.

The perfect destination

¿Why Chile?

Chile is a country which is easy to fall in love with due to its natural landscapes of notorious, wild beauty. You will discover a unique destination with great contrasts of attractions, climate, geography and cuisine. With an incomparable choice of creative programs in areas yet to be discovered, this country is guaranteed to exceed all your expectations. Incentive travels, events, pleasure and culture. These are just a few reasons for coming to a country that integrates cosmopolitan life with unbelievable natural scenery in the best way. Chile will enchant you!

Natural Contrasts

The driest desert in the extreme north, valleys and beaches in the central agricultural zone, native forests, lakes and volcanoes in the south; millenary glaciers and ice fields in the southern tip, make it a destination of impressive beauty with considerable ecological and tourist attraction.

Unforgettable Experiences

Unforgettable experiences Ski in impressive mountains trails in the morning and sail in the ocean in the afternoon? Only Chile offers this incredible variety of activities to be combined in incentive programs full of experiences never to be forgotten. The hospitality and spirit of the Chilean people impress upon each and every visitor to the country, making their experience truly unforgettable.

Security and Stability

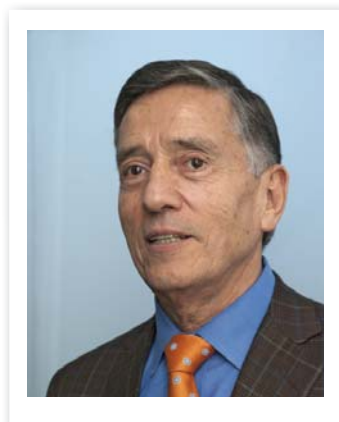

Our country is considered as one of the safest of the continent, making your visit safe and pleasant. Its constant growth, based on progress and modernity, led it to make important social and political trade agreements which consolidate Chile as an emerging stable and trustworthy country.

Facilities

Santiago International Airport, as well as the quality of hotels and resorts in Chile, is exceptional and the professionalism of its services will satisfy the needs of every incentive group.

Tempted Cuisine

Chile has outstanding seafood products from its long coastline and the richness of its land produces fine and award winning Chilean wine, with many vineyards and varieties of grapes.

GREETINGS FROM TURISMO MILODON

We believe that travel can transform people and certainly leaves an unforgettable mark on every person. The many experiences offered by Chile, such as sports, adventure, culture, wine tasting, gastronomy, leisure, comfort, and the amazing variety of its natural resources, position Chile as an ideal destination for incentive travel. Turismo Milodon, with over 15 years as an incoming tour operator, has developed a broad expertise in incentive travel. We have an outstanding team of highly qualified individuals who will advise and offer the best options to fit your needs. We stand by the quality of our services and the knowledge to create unique and innovative travel itineraries to encourage and surprise individuals from all kinds of business.

Atacama Desert

Immense. Earth and sky fuse together in an infinite line towards the horizon in sepia colors. The Chilean Altiplanico with its crystal clear star filled skies and colorful mineralized land, along with the unusual flora and fauna conform intense and spectacular scenery. It is a place where the five senses perceive special and differentsensations. Welcome to the immensity of the Chilean desert.

Ideal for incentives

Immense spaces provide a variety of activities. In the middle of the desert, you will find modern and first class facilities where relaxation and rest is a priority.

Activities

You can watch the sunrise at the Tatio Geysers, bathe in the Puritana hot springs, go mountain biking, horseback riding and hiking through lovely scenery along with stargazing under the planet's clearest skies. At the same time, the archeology of this zone is fascinating with the oldest mummies in the world.

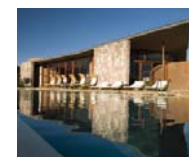

EXPLORA

KUNZA

ALTO ATACAMA

TIERRA ATACAMA

Today, Santiago is strong and in constant growth. Amongst historical and contemporary buildings, a city arises surrounded by mountains as one of the most important financial metropolis in Latin America. A seductive cosmopolitan center from where you can reach the ocean, snow, or the heart of Chilean vineyards in just a few hours.

Ideal for incentives

In Santiago you can combine pleasure and business, with the night life and everything offered by a cosmopolitan city. It is the gateway to all other incentive destinations in the country.

Activities

The Andes Mountains & the Pacific Ocean. You will be amazed by the magnificence of the Cordillera de los Andes as an impressive backdrop to Santiago. You can hike or horseback ride in the mountains or in several surrounding natural reserves. There are great ski trails with excellent infrastructure for enjoying winter sports. A few hours away on the coast is the city of Valparaíso, declared World Heritage Site by UNESCO, and home to the deceased Nobel Prize Winner Pablo Neruda, and various beach towns with pictured locations, irresistible cuisine, and excellent infrastructure for resting and enjoying yourselves. The city of Viña del Mar also entertains with its night life and culture activities.

THE RITZ - CARLTON

PORTILLO

SHERATON MIRAMAR

Easter Island

Unique. Wild, exotic, mystical and ancestral. An idyllic landscape declared World Heritage Site by UNESCO with volcanoes, turquoise waters and archeology that are eagerly waiting for you with its varied activities. Welcome to the world of the Moais, a very special and unique place.

Ideal for incentives

The exotic Easter Island is unique and beautiful where you can see the symbolic stone statues, the Moais, with white sandy beaches, ancestral traditions and pleasant climate around. The island's history is expressed in its people, dances, festivals, stories and cuisine.

Activities

Travelling around the island is quite an adventure. Lunches accompanied by islanders in traditional costumes and flower crown can be enjoyed at the Anakena Beach. The island's archeology can be seen in caves and in open air museums, where horseback riding or trekking is possible. You can visit the Orongo Ceremonial Village and the peak of Rano Kao Volcano. The water and colorful tropical fishes make diving an attractive activity.

HANGA ROA

EXPLORA

Unforgettable. Water, green and wilderness. Here, lakes, volcanoes and rivers create a beautiful environment for carrying out all the activities that go hand in hand with nature and incredible scenery.

Ideal for incentives

Its exuberant natural beauty will impress you and inspire you to take part in infinity of sporting activities. Its international standards hotels and excellent cuisine unites the flavors of the region, topping it off with nightlife full of panoramas.

Activities

The rivers invite you to go rafting in their rapids or fly fishing, which can also be done in the nearby lakes. The volcanoes entice you to do different activities such as skiing, snowboarding, ascensions in challenging climbs or even flying over them with spectacular views. The volcanoes also give rise to hot springs and fully equipped spas with excellent facilities, ideal for relaxation and pleasure surrounded by lovely scenery.

Patagonia

This is Chile's southernmost Patagonia with spectacular scenery of untouched nature where there is a mixture of native forests, rock walls, fauna and millenary ice fields. Let yourself be carried away by its flavors, striking ageless landscapes and isolation, sensations that will let you have an unforgettable experience.

Ideal for incentives

A trip to the white universe of the Chilean Patagonia, where the silence and the beauty of Torres del Paine National Park will astound you. This is a unique opportunity to explore one of the last undiscovered treasures on the planet. A perfect trip mixing excellent hotels and cuisine with delicious local products.

Activities

Multiple activities accompany the exceptional Patagonia scenery. You can sail in modern catamarans or cruise ships to the Laguna San Rafael, declared a World Biosphere Reserve by UNESCO, to Tierra del Fuego and through the Beagle Channel going past glaciers and impressive marine fauna. To rest, contemplate, or simply enjoy the scenery is a unique and unforgettable experience.

EXPLORA

TIERRA PATAGONIA

THE SINGULAR

One of the most fascinating places in the world, encompassing the third largest fresh water reservoir on the planet. The glaciers of Chilean Patagonia are revealed in its purest form, waiting for treks and visits by tourists from around the world.

Ideal for incentives

Go far, this is usually the slogan used by companies to their employees and these cruises go a long way. Remote locations and isolated villages are visited on each voyage.

Activities

Either walking on the side of a glacier or trekking in Cape Horn, as well as visiting remote indigenous communities, or watching marine mammals and exotic birds from the southern hemisphere, there are multiple and diverse activities that can be performed on these Patagonian cruises.
